## Jeremy Snook Memorial Palliative Care Suites

**\$1.68** million

As a generous donor of the Gratitude Campaign it has been our commitment to keep you updated on all the projects as they progress. We are extremely excited to announce the construction phase of the Jeremy Snook Memorial Palliative Care Suites is complete, and they are furnished. This project will provide access to the best possible palliative care, right here at home, where our healthcare staff can provide compassionate care for the patients. End of life is hard on everyone; patients, families and caregivers. The Suites are designed to provide patients and their families with a serene and comforting space to navigate their end of life journey.

## Another Campaign Milestone reached through YOUR donations

Thanks to the hundreds of generous donors who contributed to the Gratitude Campaign Palliative Care Suites project, we are able to announce the completion of construction.

*Large Spacious Patient Rooms*

*Adjoining family room equipped with kitchenette*

Rooms designed for patient and family comfort and care

Three spacious suites with patient room, family room and washroom

Secure family lounge to provide a place of quiet refuge

Enables healthcare providers to provide the highest-quality palliative care

As always, this project could not have been done without out our donors. Thank you for being a part of our community.

It starts with you

The **Gratitude Campaign** is comprised of 8 projects, which all have an incredible impact on the daily lives of those living in our region. So what's next? Minimally Invasive Surgical Suites.

WHAT'S  
NEXT?

## MIS SUITES PROGRESS

The Northern Lights Health Centre surgical team has been trying and testing the most innovative equipment and technologies in surgical equipment. Stryker Corporation has been chosen as the equipment provider for the MIS Suites. The finalization of equipment decisions are being made. Once finalized the construction design phase will start.

## A MESSAGE FROM THE HEALTH FOUNDATION

*Congratulations!*

*We are so proud and happy to announce the completion of the construction of the Jeremy Snook Memorial Palliative Suites at the Northern Lights Health Centre. This project was at the heart of the Gratitude Campaign and was driven by our community's desire for larger, more appropriate rooms for end of life care. The Jeremy Snook Memorial Palliative Suites are located on the 3rd floor of the hospital, overlooking the downtown core and the Clearwater River. Each suite is generous, with room for family to gather, for end of life ceremonies, for consultation with medical staff and space for quiet contemplation and grieving.*

*The construction of these beautiful suites was made possible 100% by you. It was through donations from generous individual and corporate donors and from the proceeds of the Jeremy Snook Memorial Raffle which was created and activated by Brian and Gail Snook in memory of their son Jeremy. Your care, your donations, and your actions have made it possible for even more compassionate care for the next families during the passing of a loved one.*

*When we talk about #DonorLove at the Health Foundation, we are talking about appreciation for YOU. We are #InItTogether, we are #BuildingCommunity, we are #CreatingtheFuture and now we are seeing our combined efforts come to completions as the Jeremy Snook Memorial Suites open to serve patients.*

*Your friends at the Foundation -*

*Cindy Amerongen, Executive Director*
