

2025 SPONSORSHIP GUIDE

November 14–16, 2025

Suncor Community Leisure Centre at MacDonald Island Park

MESSAGE

From the Health Foundation

Dear Friends,

This year marks a milestone for the Northern Lights Health Foundation—40 years of advancing healthcare excellence in our region. It's a legacy built on community trust, unwavering support, and a shared belief in the power of giving. For four decades, we've stood alongside patients, families, healthcare professionals, and donors—working together to create real, lasting impact.

Equally woven into that legacy is the Festival of Trees, now in its 36th year. What began as a local celebration has become one of our region's most cherished holiday traditions. The Festival is more than lights and laughter—it's a showcase of community generosity, creativity, and spirit, raising critical funds for health priorities that touch every life in Wood Buffalo.

As Executive Director, I've had the privilege of seeing firsthand how this event transforms not just our venues, but our sense of connection. Each beautifully crafted tree, every child's giggle, every act of giving reminds us of why we do this work.

I invite you to be part of this legacy.

Whether by becoming a sponsor, designing a signature Live Auction Tree, or donating time, talent, or gifts-in-kind—your contributions fuel our mission. If you are new to sponsoring Festival of Trees please give us a call and we can align sponsorship to an area that best highlights your support. And to all of our returning sponsors, we can't wait to work with you again and share the joy of Festival with our community!

Together, let's make this a Festival to remember. Let's honour the past, elevate the present, and invest in the health of future generations.

With deep appreciation,

Vanessa MacNevin
Chief Executive Officer

GIFT IN KIND SPONSORSHIP

OPPORTUNITIES

Gift-in-Kind sponsorship is vital to the success of Festival of Trees. GIK Sponsors receive the same recognition package as monetary sponsors while ensuring that important décor, auction, logistical, and core elements are provided at no cost to the Foundation. The Health Foundation is seeking goods and services to support our Festival of Trees fundraising efforts.

The tree program is the central element of Festival of Trees and, as we have seen in the past, tree decorators are endlessly creative, and each year offers unique trees for auction purchase. Trees can be submitted by community groups, businesses, individuals, schools, service organizations, and friends and families. Trees at all values will be gratefully accepted and are expected to bring a great deal of bidding action at the Festival Gala. Tree value will be capped at \$20,000 for GIK Sponsorship Recognition purposes and proof of value must be submitted.

All trees must be registered with the Health Foundation by October 18, 2025, and trees must be set up at the venue on November 12 and 13.

Silent auction and raffle items are a valuable part of the Festival and generate much enjoyment for all guests. Your contributions of gift-in-kind items are a great way to engage with the community and support the Foundation. Gift-in-Kind items of Christmas décor, sports memorabilia, home décor, and home maintenance tools make great silent auction items. Also, submissions of travel packages, vouchers for local services, dining options, health and fitness, apparel, family experiences and sport tickets are welcome additions to the auction and raffle packages.

• Volunteer meals and beverages

Help keep our volunteers fueled and energized by providing meals, snacks, hot and cold beverages, or food gift certificates.

• Technical services and logistic services

Festival has a lot of moving parts – and a lot of parts that need moving! You can help by donating expertise and services aligned to our specific needs.

*Donated goods and services will be accepted, valued, and used at the discretion of the NLHF

*Value of goods and services must be confirmed by November 3 to receive recognition.

With a limit of 25 trees and spaces filling up quickly, please contact Jacqui at 780-788-1559 or Jacqueline.Parlee@ahs.ca for further details and to arrange your live auction tree submission.
